Dalmatians are white with black spots.
They can also be white with liver-colored spots.
Put an "X" next to the dogs that have the same spots.

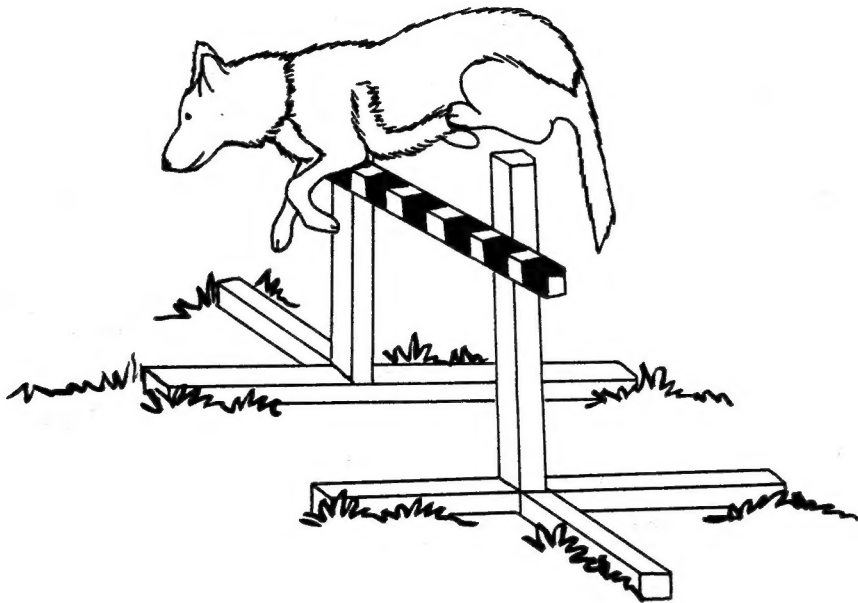

ANSWER: 1 and 4

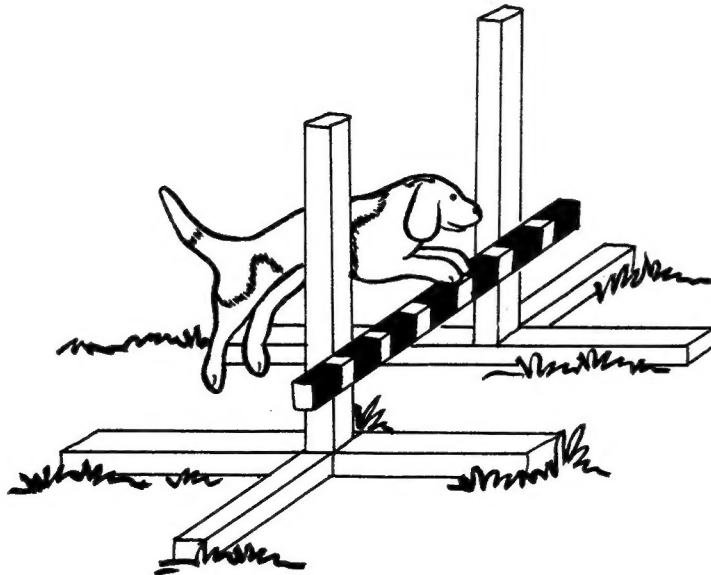

A shetland sheepdog herds ducks. Shelties like to work.

At dog shows, dogs can compete in obedience.

Bar jumps are high for tall dogs and low for short dogs.

TDI dogs cheer up patients in hospitals and people who live in nursing homes. They take a special test and lots of health checkups. TDI dogs always wear their red collar and yellow tag. Some wear a t-shirt so they don't leave any hair when they visit.

Draw a line from the dog to the right breed.

ANSWERS:

Some dogs like to play frisbee. This is a boxer making a leaping catch!

There are many wonderful places that train guide dogs for blind people. Puppies are placed in a foster home where they are raised for one year and then they return for about four months of training. Then the blind person and dog train for about another month. Many people can be picked to be a foster home. This is a story about a boy and his family who are a foster home for one such puppy.

Circle the right face.

How did the boy feel in picture #1?

How did the boy feel in picture #7?

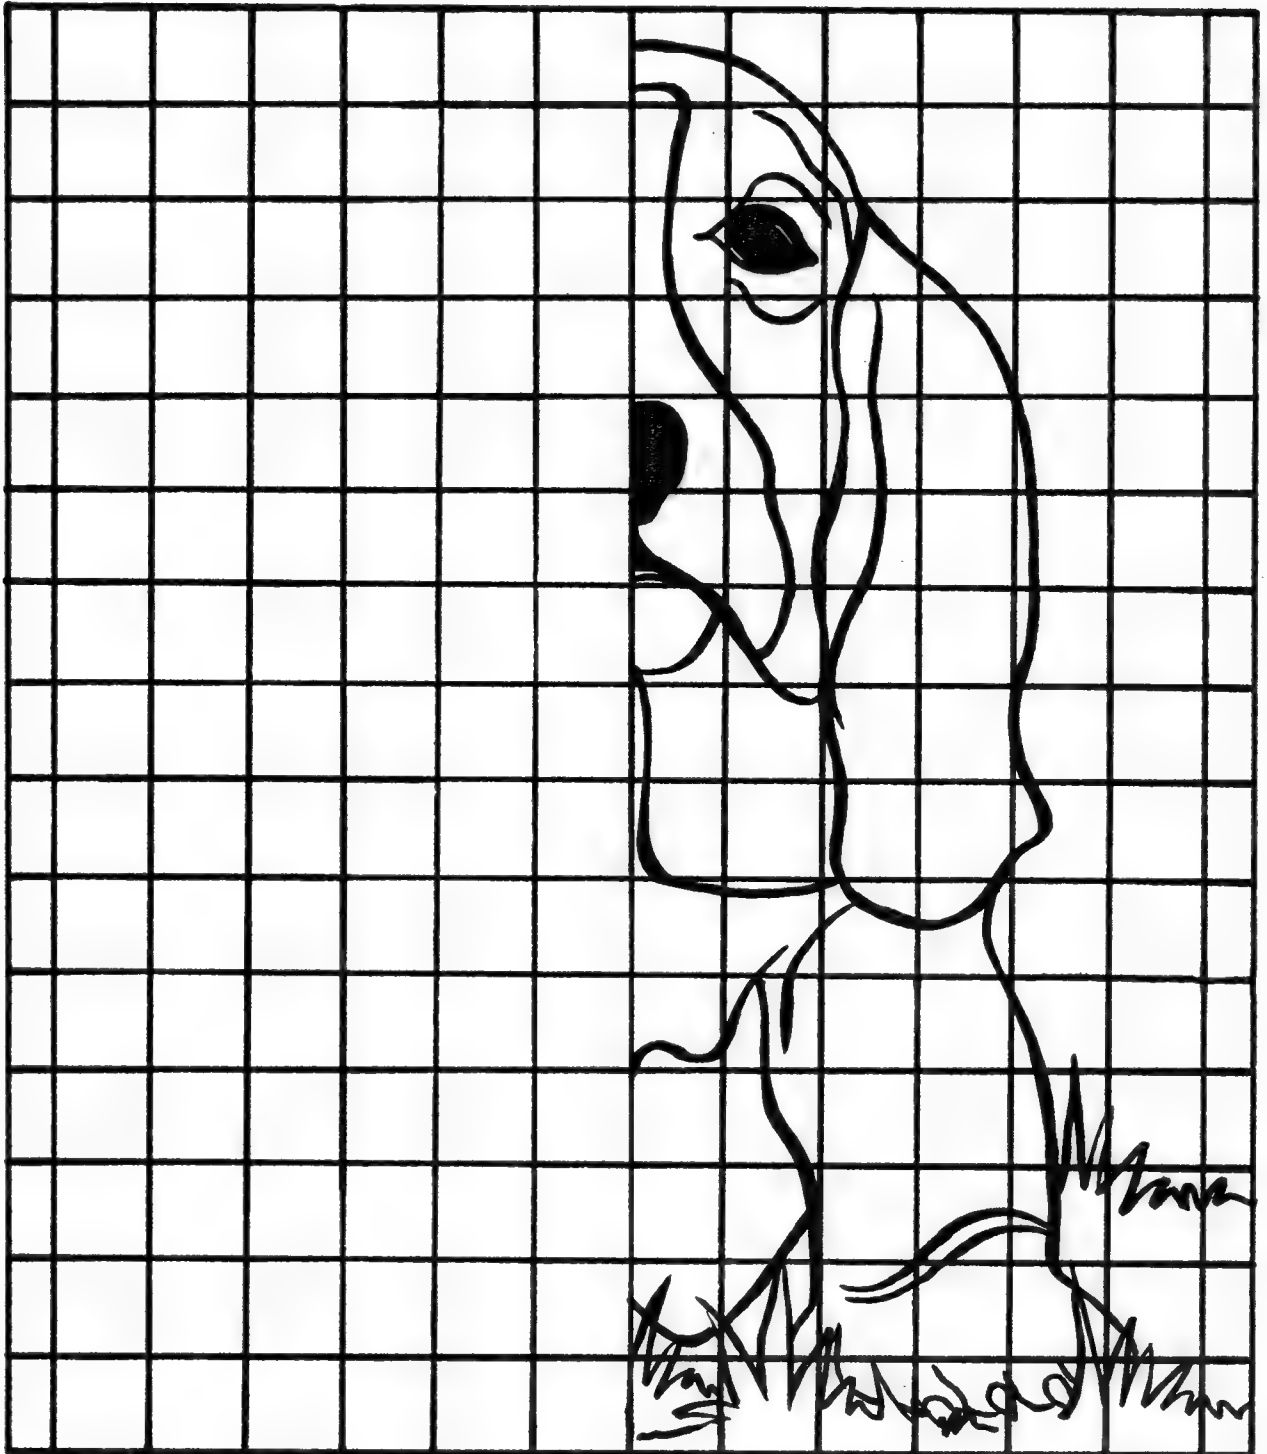

How did the boy feel in picture #13?

Siberian huskies are very strong dogs. They love the snow. This is a team of huskies pulling a sled and a "musher."

This dog is a basset hound.
Draw the other half and color the picture.

CCI dogs are trained to help people with disabilities or special needs. They always wear a yellow or blue backpack with a blue harness or they wear a vest. Puppy raisers play, love and care for them in their home. When the puppies are old enough, they go to a special training school for eight months before becoming a loyal partner for graduates.

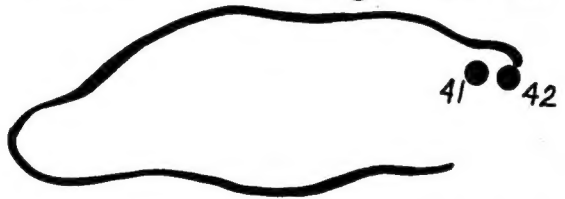

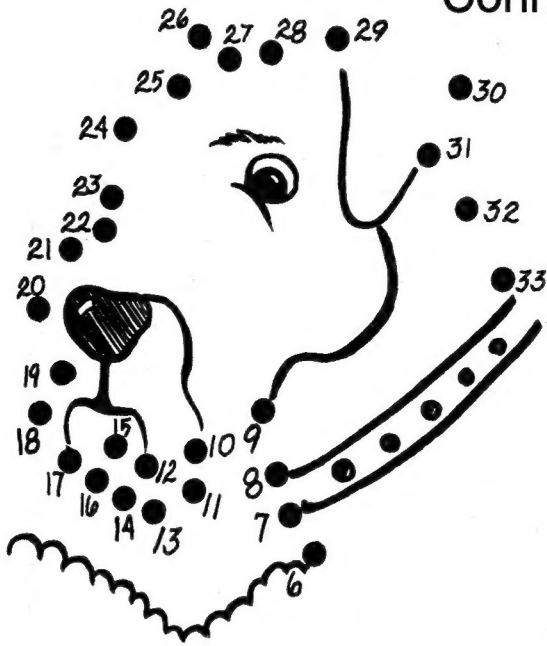

This dog is a pug. Help him find the bone.

Connect the dots. This dog is an airdale.

The purpose of this book is to educate children by providing a positive image of purebred dogs and creating an awareness and sensitivity to the needs of persons with disabilities. Equally important, royalties from the sale of this book will be donated to schools that train dogs to assist the visually impaired and physically challenged, dog humane societies, animal research foundations and others.

This publication would not have been possible and these goals would not be met without the support and cooperation of the cover sponsors as well as children's book publishers Landoll's Inc., Ashland, Ohio.

The purchase of this book by kennel clubs, breed and obedience clubs, breeders and fanciers and its free distribution represents a support of this philosophy. We hope you agree.
